FOOTBALL SWEETHEART
Judy Mogonye
Sophomore

The 1969-1970 school year began with football season and ended with graduation. To almost everyone it went that fast too! In between everyone experienced a year of activities that will not be forgotten. We have all studied hard, had a lot of fun, and met new friends. We, the Annual Staff hope that this WILDCAT will help you remember all of the 'good times' in 1969-1970.

Dedication

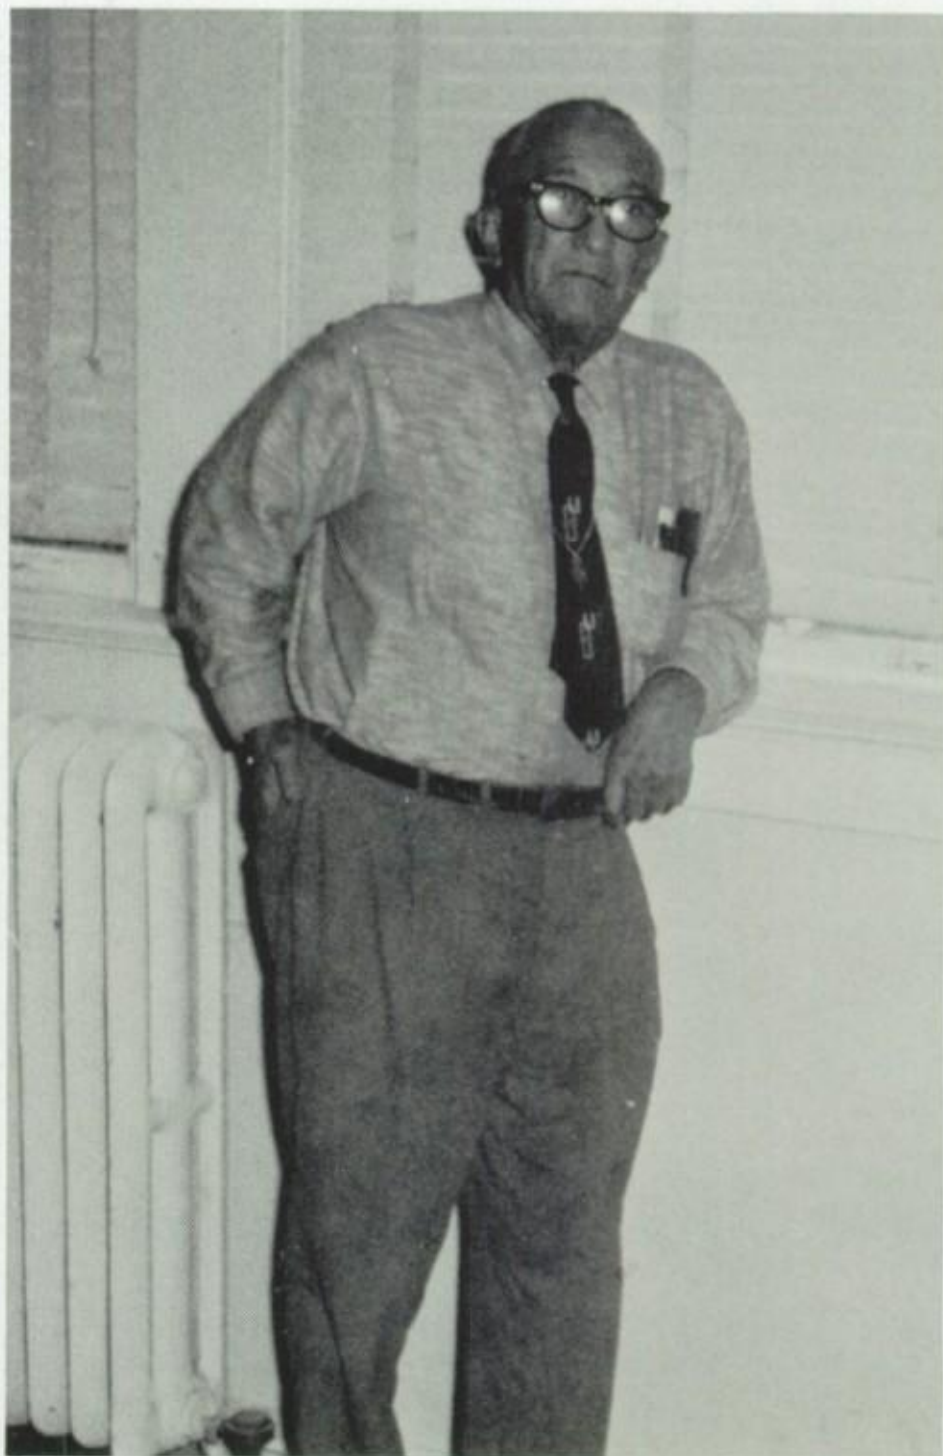

To show appreciation for the many hours of education acquired in his math classes and his helpful guidance of the students in his years here at Elgin High School, we, the Annual Staff and Student Body of Elgin High School dedicate this 1970 WILDCAT Annual to:

MR. W. E. S. DICKERSON

Through his unique methods of teaching, Mr. Dickerson has made algebra, plane geometry, and trigonometry three of the most enlightening subjects for the math students of Elgin High School.

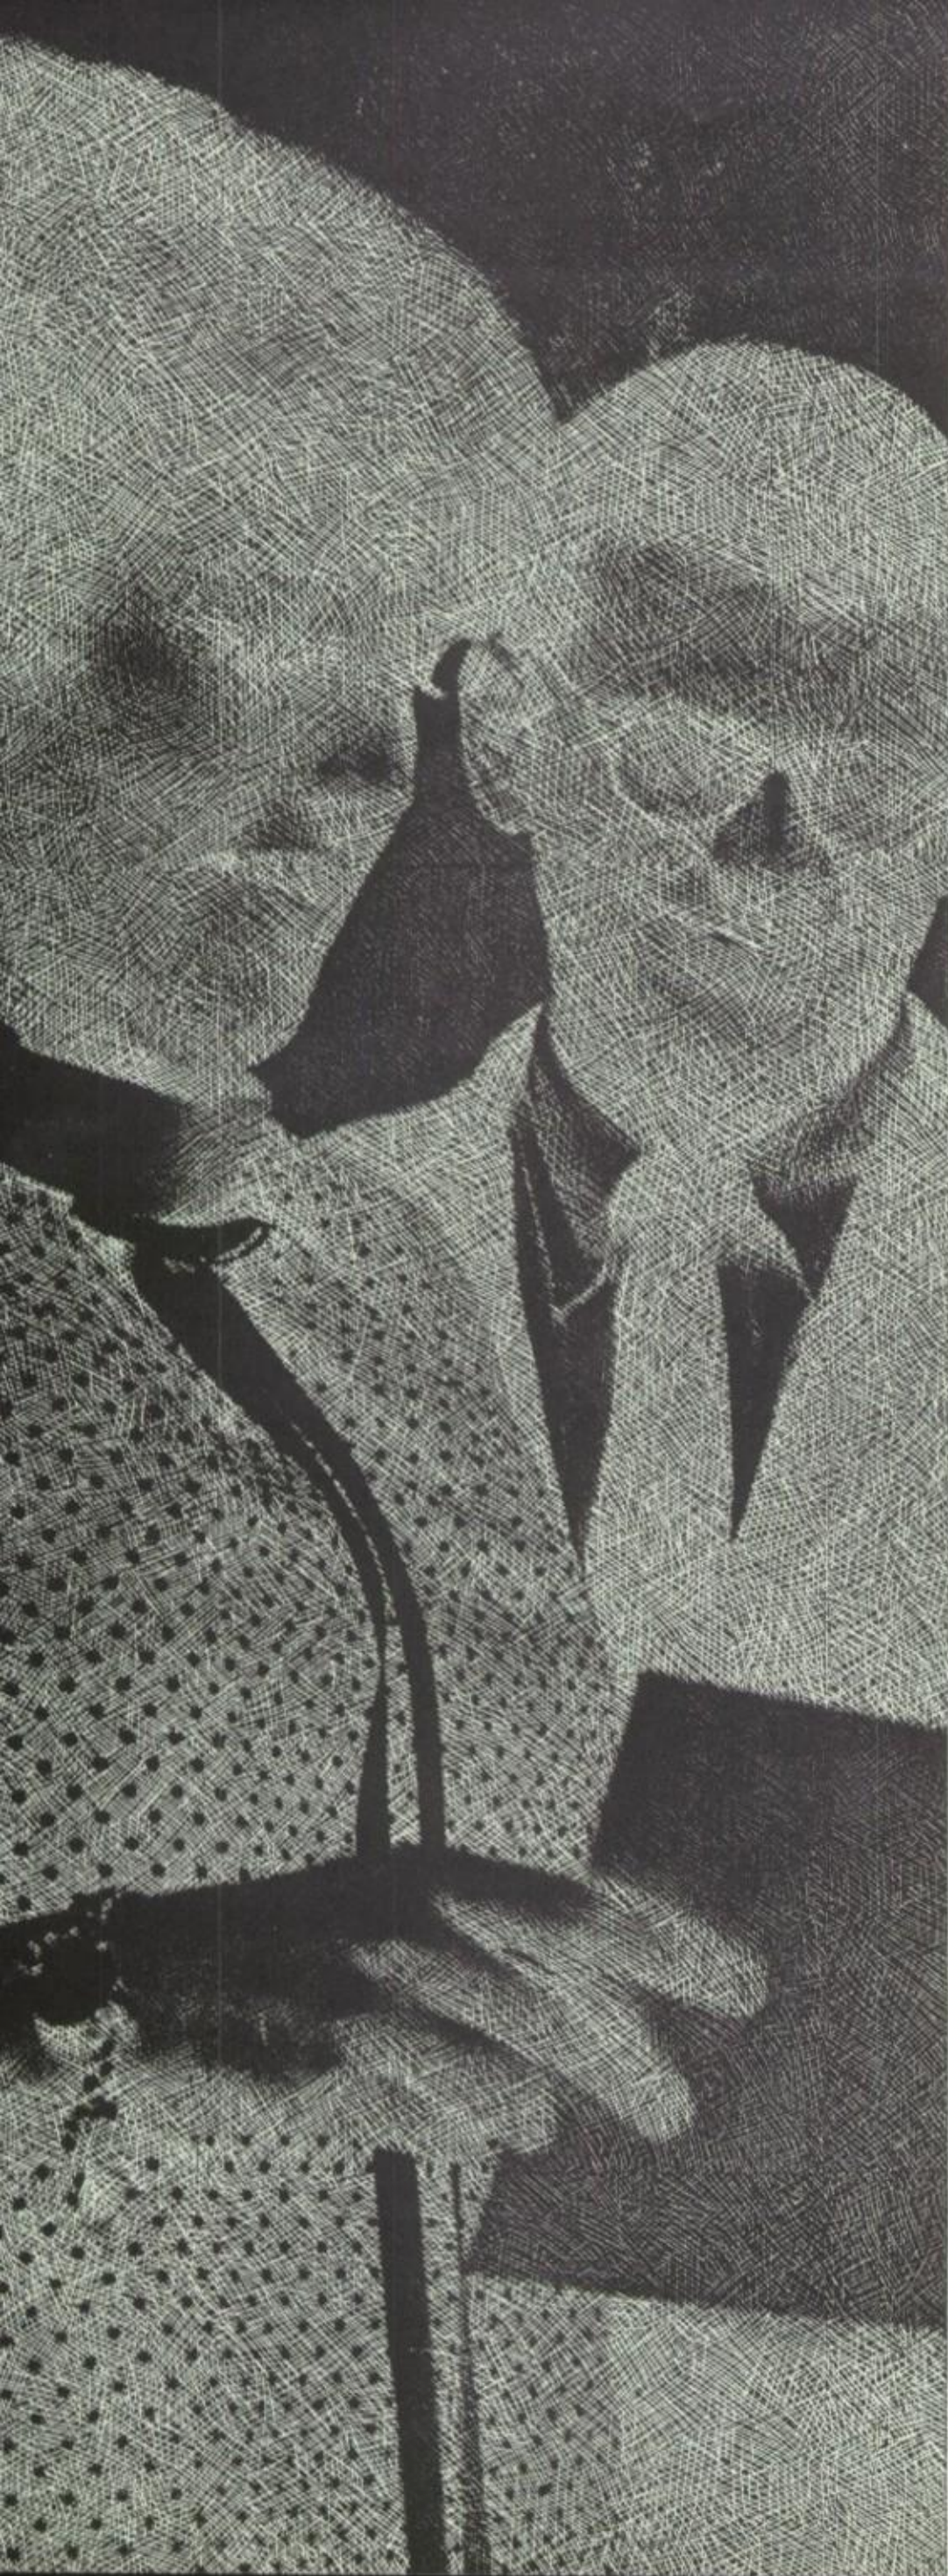

The students under Mr. Dickerson's guidance have also found that he is one of the most talented men that they have ever known, and that his most outstanding talent is his ability to teach math in a way that students find very stimulating. Another of his talents is his knowledge of the Southwest and his ability to put this knowledge into several very interesting books. The students who have read his books find that they are not only informative but have the magic touch of his great sense of humor.

We, the Annual Staff, and the Student Body wish to express our gratitude for having known a man of such dynamic character. We appreciate his way of teaching and the enjoyment we have derived from his accounts of his travels and experiences.

Mr. Dickerson

STEVE WOLF

Steve Wolf was chosen by the Purple Flames as their "Beau" for 1969-1970. Steve has been a member of the Fightin' Elgin Wildcats for four years and has played baseball for one year.

PURPLE FLAME FAVORITE
Eldonna Bartosch

Eldonna was chosen by the Purple Flames as their "Favorite" for 1969-1970. Eldonna has been a member of the Purple Flames for two years and a 'B' team cheerleader for two years.

OUTSTANDING PURPLE FLAME
Christel Sandifer

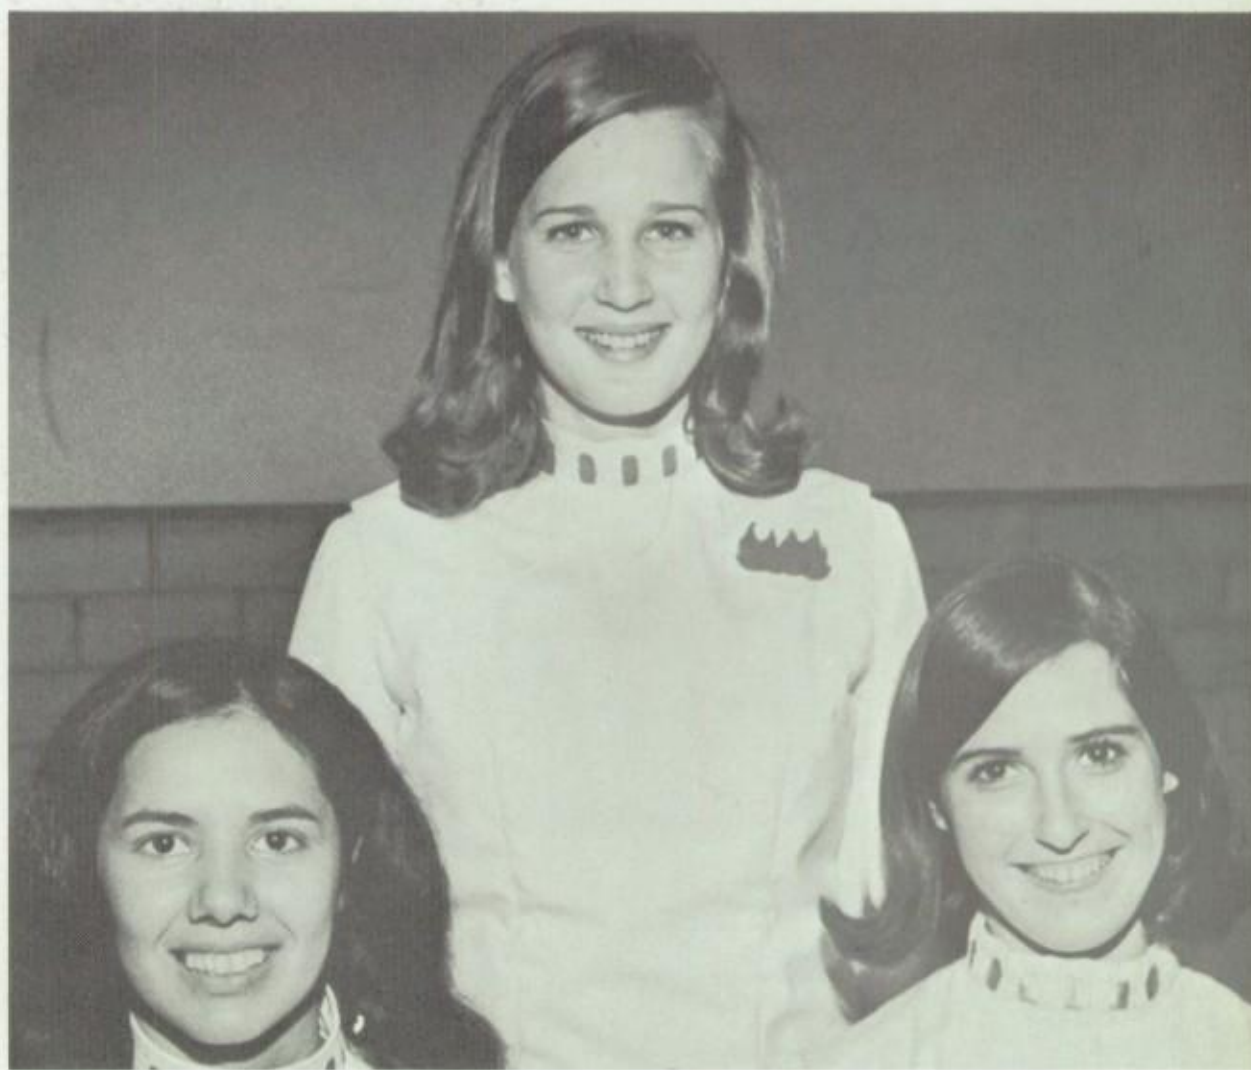

Christel was chosen by the Purple Flames as "Outstanding" for 1969-1970. She has been a member of the Purple Flames for four years. She served as a second lieutenant her junior year and captain her senior year.

Purple

The Purple Flames have worked very hard this year and have made a lot of progress. During football and basketball season they have performed dances. Throughout the year the Purple Flames have been selling items to help finance their organization. In April the Purple Flames put on a "Spring Review" which was a huge success.

E.H.S. is proud of these fine young ladies.

Beta Club

The Beta Club stands for the full life, one governed by the highest principles. Adherence to and promotion of these qualities are subscribed to by all members as they take the pledge when coming into membership, for only those qualities which make for a full, honorable and useful life are in harmony with the organization's ideals.

To be considered for membership one must achieve and maintain an overall average of 90.

Perfection is not a human trait, but all human beings can strive for it. Those who wear the Beta emblem accept the challenge of the world to live up to the ideals which are represented in the Beta emblem.

Superintendent

Superintendent's Message to the Seniors:

Graduation is not the end of your learning; it is not even the beginning of the end—it is just the end of the beginning.

The measure of success and happiness you will receive, will be determined, to a great extent, by the courage and determination you exert toward selected goals that are worthy of dignity to man and to God.

It is my sincere wish that your school has been able to stimulate and inspire you to reach for the fulfillment of your dreams.

JACK M. FLINN

To the Student Body of Elgin High:

A few short weeks ago we started this school year and suddenly we find that it is gone forever. I feel that it has been a good year, one that we will never forget. I sincerely hope that each of us has gained in some respect those infinite qualities that will make each of us better citizens. This edition of the WILD-CAT should help us to relive this year over and over again in the future and it will serve as a reminder of the memories which we wish to cherish.

My sincere thanks to the faculty and student body for their efforts and hard work this year.

A black and white photograph of a male graduate in a cap and gown, smiling, standing next to a group of people in front of a large building. The graduate is on the right side of the frame, wearing a dark cap and a light-colored gown. He is looking towards the left. To his left, a group of people, including several women in skirts and blouses, are standing and looking towards the left. In the background, a large, multi-story building with many windows is visible. The overall scene appears to be a graduation ceremony or a group photo taken at a school.
